CIRCULAR LETTER No. 1.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, 5th January 1910.

FROM

H. S. WILLIAMSON, ESQUIRE,

Junior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS IN THE PUNJAB.

SIR,

IN view of the importance of every peasant boy understanding the village papers maintained by the patwari, the Lieutenant-Governor has approved of a suggestion made by Sir James Wilson that arrangements should be made for patwaris to give tuition to two highest classes in village primary schools in the records kept up by them.

2. The schools are already provided with village maps, and text-books on land records (kaghizat-zamin) are taught. The new instruction now proposed would be a further development of the present practice, and the following directions should be followed:—

(1) On the request of the district board or the managers of an aided school, the Deputy Commissioner will order the patwari within whose circle the school is situated—or if for any reason he is specially unsuitable, some neighbouring patwari—to give the teaching required.

(2) The teaching will be given by 12 lessons in the year and will consist of the patwari taking the boys out into the fields and explaining to them on the ground how the areas are calculated, the crops entered and the rights recorded. The lessons should be given at such times as are in practice convenient. It is not necessary that one should be given each month.

(3) The district board or managers should be asked to pay a suitable allowance to the patwari for this work, say Rs. 12 per annum.

3. The Financial Commissioner will feel obliged if you will ask the Deputy Commissioners in your division to recommend the adoption of the scheme to local bodies.

I have, &c.,

H. S. WILLIAMSON,

(*Translated.*) *Junior Secretary to the Financial Commissioner, Punjab.*

The HON'BLE KHAN ZULFICAR ALI KHAN.

Diwan KISHAN KISHOR.

Sardar GURCHARN SINGH.

There is also an Indian Ladies' Committee to give advice in matters relating principally to the Boarding-house.

History of the School.—The proposal to establish a High School for Indian girls of good family was put forward by certain Indian ladies who attended the Purdah Party given at Lahore in honour of Her Royal Highness the Princess of Wales in November 1905. The possibility of putting this proposal into effect was attained by the munificence of the Phulkián States of Patiála, Jínd and Nábha, when in May 1906 they intimated to the Lieutenant-Governor their desire to commemorate the safe return to England of Their Royal Highnesses by placing at His Royal Highness' disposal a sum of Rs. 1,00,000 as *Sarwarna*.

The school was finally opened on December 10th, 1908. Since then it has received evidence of much kindly interest from Lady Dane, and on April 3rd, 1909, on the occasion of His Excellency the Viceroy's visit to Lahore, Her Excellency the Countess of Minto was graciously pleased to meet the members of the Ladies' Committee, and to inspect the school.

Aims of the School.—This school has been founded by the Rajas and gentlemen of the Puujab in order to give the girls of the Province an education suitable to their position.

Preparation of home duties.—The proposed education is to be first and foremost womanly, therefore pupils will not be prepared for Matriculation, until alternative courses of study suitable for girls be framed by the Education Department.

The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, seeks in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid," invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc.

Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars in the Victoria May School. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and nstruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she ay proceed to the study of Persian or Sanskrit.

Study of English.—In these days there is an ever-increasing intercourse between Indian and English ladies, but although many ladies taught at home are able to read difficult English books, there are few who are able to understand English when spoken or who can express themselves easily.

One of the aims of the Victoria May School is to give the pupils a thorough grasp of colloquial English, and such knowledge of English manners and customs as would be useful to them in social intercourse with English ladies.

Daily lessons are give in English conversation from the kindergarten upwards, and in the upper classes many of the lessons are conducted entirely in English. There is also a class (three times a week) for those married ladies who wish to improve their powers of English conversation.

Educational methods.—Opportunity will be given to the elder girls to study the best methods of teaching, in the hope that they may be qualified to help as inspectors of advisers in girls' schools, a most important sphere of work eminently suitable for educated ladies, but one which up to the present has been almost entirely left to men.

Religious Education.—Reference to the list of subscribes to the Victoria May School will show that all sects are represented, therefore distinctive sectarian teaching cannot be given.

There is, however, much on which all religious-minded people agree. The virtues of modesty, self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such like virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

There is also an Indian Ladies' Committee to give advice in matters relating principally to the Boarding-house.

History of the School.—The proposal to establish a High School for Indian girls of good family was put forward by certain Indian ladies who attended the Purdah Party given at Lahore in honour of Her Royal Highness the Princess of Wales in November 1905. The possibility of putting this proposal into effect was attained by the munificence of the Phulkián States of Patiála, Jínd and Nábha, when in May 1906 they intimated to the Lieutenant-Governor their desire to commemorate the safe return to England of Their Royal Highnesses by placing at His Royal Highness' disposal a sum of Rs. 1,00,000 as *Sarwarna*.

The school was finally opened on December 10th, 1908. Since then it has received evidence of much kindly interest from Lady Dane, and on April 3rd, 1909, on the occasion of His Excellency the Viceroy's visit to Lahore, Her Excellency the Countess of Minto was graciously pleased to meet the members of the Ladies' Committee, and to inspect the school.

Aims of the School.—This school has been founded by the Rajas and gentlemen of the Punjab in order to give the girls of the Province an education suitable to their position.

Preparation of home duties.—The proposed education is to be first and foremost womanly, therefore pupils will not be prepared for Matriculation, until alternative courses of study suitable for girls be framed by the Education Department.

The Indian ideals of self sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, seeks in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid," invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc.

Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars in the Victoria May School. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit.

Study of English.—In these days there is an ever-increasing intercourse between Indian and English ladies, but although many ladies taught at home are able to read difficult English books, there are few who are able to understand English when spoken or who can express themselves easily.

One of the aims of the Victoria May School is to give the pupils a thorough grasp of colloquial English, and such knowledge of English manners and customs as would be useful to them in social intercourse with English ladies.

Daily lessons are give in English conversation from the kindergarten upwards, and in the upper classes many of the lessons are conducted entirely in English. There is also a class (three times a week) for those married ladies who wish to improve their powers of English conversation.

Educational methods.—Opportunity will be given to the elder girls to study the best methods of teaching, in the hope that they may be qualified to help as inspectors of advisers in girls' schools, a most important sphere of work eminently suitable for educated ladies, but one which up to the present has been almost entirely left to men.

Religious Education.—Reference to the list of subscribes to the Victoria May School will show that all sects are represented, therefore distinctive sectarian teaching cannot be given.

There is, however, much on which all religious-minded people agree. The virtues of modesty, self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such like virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

IV. With reference to Lala Kirpa Ram's application for further extension of leave granted to him, it was noted that he had had 18 months' leave. It was decided as a special case, and in recognition of Lala Kirpa Ram's length of service, to grant him a further extension of leave for one year without allowances. It was also decided that the arrangements made to carry on the work during Lala Kirpa Ram's absence on leave should continue.

V. Read letter No. 3253, dated the 15th December 1909, from the Director of Land Records, Punjab. It was decided that the Secretary should write to Mr. Noël-Paton, Director-General of Commercial Intelligence, Calcutta, who, it was noted, had kindly agreed to help, and ask him to give the Committee an idea of the minimum initial expenditure required to make the sections on "Banking," "Trade and Commerce," "Insurance" and "Industries" fairly complete, and of the recurring annual outlay that would be necessary to keep these up to date.

VI. It was noted that the annual grant of the Panjab Public Library for the year 1909 had been increased by Rs. 71 so as to meet the expenditure incurred by the Superintendent, Gazetteer Revision, in 1904 and 1905 on account of the binding of 55 copies of the *Journal of the Royal Asiatic Society of Great Britain and Ireland* belonging to the Library.

There is also an Indian Ladies' Committee to give advice in matters relating principally to the Boarding-house.

History of the School.—The proposal to establish a High School for Indian girls of good family was put forward by certain Indian ladies who attended the Purdah Party given at Lahore in honour of Her Royal Highness the Princess of Wales in November 1905. The possibility of putting this proposal into effect was attained by the munificence of the Phulkián States of Patiála, Jínd and Nábha, when in May 1906 they intimated to the Lieutenant-Governor their desire to commemorate the safe return to England of Their Royal Highnesses by placing at His Royal Highness' disposal a sum of Rs. 2,00,000 as *Sarwarna.*

The school was finally opened on December 10th, 1908. Since then it has received evidence of much kindly interest from Lady Dane, and on April 3rd, 1909, on the occasion of His Excellency the Viceroy's visit to Lahore, Her Excellency the Countess of Minto was graciously pleased to meet the members of the Ladies' Committee, and to inspect the school.

Aims of the School.—This school has been founded by the Rajas and gentlemen of the Puujab in order to give the girls of the Province an education suitable to their position.

Preparation of home duties.—The proposed education is to be first and foremost womanly, therefore pupils will not be prepared for Matriculation, until alternative courses of study suitable for girls be framed by the Education Department.

The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, seeks in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid," invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc.

Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars in the Victoria May School. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit.

Study of English.—In these days there is an ever-increasing intercourse between Indian and English ladies, but although many ladies taught at home are able to read difficult English books, there are few who are able to understand English when spoken or who can express themselves easily.

One of the aims of the Victoria May School is to give the pupils a thorough grasp of colloquial English, and such knowledge of English manners and customs as would be useful to them in social intercourse with English ladies.

Daily lessons are give in English conversation from the kindergarten upwards, and in the upper classes many of the lessons are conducted entirely in English. There is also a class (three times a week) for those married ladies who wish to improve their powers of English conversation.

Educational methods.—Opportunity will be given to the elder girls to study the best methods of teaching, in the hope that they may be qualified to help as inspectors of advisers in girls' schools, a most important sphere of work eminently suitable for educated ladies, but one which up to the present has been almost entirely left to men.

Religious Education.—Reference to the list of subscribes to the Victoria May School will show that all sects are represented, therefore distinctive sectarian teaching cannot be given.

There is, however, much on which all religious-minded people agree. The virtues of modesty, self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such like virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

CIRCULAR LETTER No. 2.

FINANCIAL COMMISSIONER'S OFFICE:
Dated Lahore, 2nd February 1910.

FROM

H. S. WILLIAMSON, ESQUIRE,

Junior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

UNDER the arrangements hitherto existing some difficulty has been experienced in connection with excise licenses issued for the sale of liquor to the tenants of military canteens. These licenses apply only to the district in which they are issued, and the tenants have been required to take out fresh licenses in other districts to which the units to which they are attached may be moved. In order to obviate the inconvenience, which is thus created, it has been decided by the Punjab Government that when a unit is moved the tenant may, through the Officer Commanding, forward his license to the Collector of the district into which the move is made, and that upon countersignature by the Collector the license shall be in force in the new district. No fee is to be charged for such countersignature.

2. The Chief Commissioner of the North-West Frontier Province has agreed to the treatment of tenants' licenses under the procedure set forth above in cases where a unit moves from the Punjab into the North-West Frontier Province. Similarly, licenses issued to tenants in the North-West Frontier Province should be countersigned according to this procedure and made valid in Punjab districts when the units concerned are moved from the North-West Frontier Province into the Punjab.

3. When the amendment of the present Excise Act is taken into consideration, the question of providing for the issue of licenses which shall have force in more than one district will be taken up; but for the present I am directed to request that you will deal with licenses issued to the tenants of military canteens under the system set forth in this circular.

I have, &c.,
H. S. WILLIAMSON,
Junior Secretary to the Financial Commissioner, Punjab.

NOTIFICATIONS.

The 3rd February 1910.

No. 22.—Notification.—The following rules made by the Financial Commissioner of the Punjab under sections 5 and 14 of the Pensions Act, 1871, which have received the consent of the Lieutenant-Governor are hereby published for general information:—

(1) Commissioners may sanction the succession of heirs, in accordance with the terms of the grant, to pensions the hereditary title to which has been recognised by Government.

(2) When under the terms of the grant a doubt exists whether a pension lapse on the death of the pensioner, or when the pension was granted to two or more persons without defining their shares, or specifying that the pension was to continue for the lives of both, and one dies, the case must be reported for the orders of the Local Government.

(3) Commissioners may sanction the succession of heirs, in accordance with the terms of the grant, to assignments, of the land revenue of one or more entire estates.

(4) Deputy Commissioners may sanction the succession of heirs, in accordance with the terms of the grant, to assignments (*a*) of the land revenue of specific fractional parts of one or more estates, (*b*) of the land revenue of plots of land forming part of an estate, and (*c*) in the Ferozepore, Ludhiána, Ambála and Karnál districts, to pattidari or horsemen's shares, and in the Jullundur Doab to similar shares in conquest jagirs.

(5) Claims to participate in pensions or assignments of land revenue granted to specified persons, or to such persons and their heirs, made by or on behalf of persons not specified in the grant, or not being heirs of persons so specified, cannot be admitted without the special sanction of Government, or that of the Financial Commissioner, where he was competent to sanction the original assignments of land revenue. If it appears that the claimant, or the person through whom he claims, was unintentionally excluded, the case should be reported to the Financial Commissioner, who will obtain orders of Government when necessary.

(6) The above rules do not apply to assignments of land revenue granted in perpetuity after the 25th November 1859, such assignments being under the orders of Government, unless a different rule of succession has been prescribed in the grant, inheritable integrally by a single heir, whose right does not become complete until his inheritance has been confirmed or recognised by the Local Government. This recognition may, if cause should arise, be withheld. Nor do they apply to any cases in which by the terms of the grant Government has reserved to itself, or to any subordinate authority, the selection of the successor.

(7) If the revenue of a plot has been assigned to two or more individuals collectively for a single generation only, without specifying that the share of each individual should lapse on his death, the survivors of the original assignees will be entitled to the whole assignment; and on the death of the last survivor the whole will lapse.

(8) When a claim relating to a hereditary pension of grant of money or land revenue is preferred to a Deputy Commissioner under section 5 of the Act, and the inheritance of any other property, or of a share in the property of a Hindu joint family is in dispute between the parties, the Deputy Commissioner may, with the sanction of the Financial Commissioner, certify that such may be tried by a Civil Court. Such certificate shall be forwarded to the Civil Court having jurisdiction in regard to the other property in dispute.

(9) When a claim relating to a hereditary pension or grant of money or land revenue, which is, according to law, or by the terms of the grant, transferrable is preferred to a Deputy Commissioner under section 5 of the Act, the Deputy Commissioner may certify that such claim may be tried by a Civil Court.

(10) Orders of Deputy Commissioners under these rules shall be appealable to the Commissioner; orders of Commissioners, to the Financial Commissioner. The rules for appeals under the Land Revenue Act shall be applicable to such appeals.

The 5th February 1910.

There is also an Indian Ladies' Committee to give advice in matters relating principally to the Boarding-house.

History of the School.—The proposal to establish a High School for Indian girls of good family was put forward by certain Indian ladies who attended the Purdah Party given at Lahore in honour of Her Royal Highness the Princess of Wales in November 1905. The possibility of putting this proposal into effect was attained by the munificence of the Phulkián States of Patiála, Jínd and Nábha, when in May 1906 they intimated to the Lieutenant-Governor their desire to commemorate the safe return to England of Their Royal Highnesses by placing at His Royal Highness' disposal a sum of Rs. 1,00,000 as *Sarwarna.*

The school was finally opened on December 10th, 1908. Since then it has received evidence of much kindly interest from Lady Dane, and on April 3rd, 1909, on the occasion of His Excellency the Viceroy's visit to Lahore, Her Excellency the Countess of Minto was graciously pleased to meet the members of the Ladies' Committee, and to inspect the school.

Aims of the School.—This school has been founded by the Rajas and gentlemen of the Puujab in order to give the girls of the Provincc an education suitable to their position.

Preparation of home duties.—The proposed education is to be first and foremost womanly, therefore pupils will not be prepared for Matriculation, until alternative courses of study suitable for girls be framed by the Education Department.

The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, seeks in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid," invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc.

Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars in the Victoria May School. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit.

Study of English.—In these days there is an ever-increasing intercourse between Indian and English ladies, but although many ladies taught at home are able to read difficult English books, there are few who are able to understand English when spoken or who can express themselves easily.

One of the aims of the Victoria May School is to give the pupils a thorough grasp of colloquial English, and such knowledge of English manners and customs as would be useful to them in social intercourse with English ladies.

Daily lessons are give in English conversation from the kindergarten upwards, and in the upper classes many of the lessons are conducted entirely in English. There is also a class (three times a week) for those married ladies who wish to improve their powers of English conversation.

Educational methods.—Opportunity will be given to the elder girls to study the best methods of teaching, in the hope that they may be qualified to help as inspectors of advisers in girls' schools, a most important sphere of work eminently suitable for educated ladies, but one which up to the present has been almost entirely left to men.

Religious Educaticn.—Reference to the list of subscribes to the Victoria May School will show that all sects are represented, therefore distinctive sectarian teaching cannot be given.

There is, however, much on which all religious-minded people agree. The virtues of modesty, self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such like virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

2. Read letter No. 1178, dated the 27th July 1909, from the Chief Secretary to Government, Punjab, containing the orders of His Honour the Lieutenant Governor on a suggestion made by the last Annual meeting of Life Members and the Committee that the Life Members might be permitted to elect seven instead of two members to represent them on the Committee. It was stated in the letter that considering the amount of financial support accorded to the Library by Government and life members, respectively, the number of members of the Committee to be elected by the latter appeared to be sufficient, and in the opinion of the Lieutenant-Governor the present rules required no alteration in this respect.

There is also an Indian Ladies' Committee to give advice in matters relating principally to the Boarding-house.

History of the School.—The proposal to establish a High School for Indian girls of good family was put forward by certain Indian ladies who attended the Purdah Party given at Lahore in honour of Her Royal Highness the Princess of Wales in November 1905. The possibility of putting this proposal into effect was attained by the munificence of the Phulkián States of Patiála, Jínd and Nábha, when in May 1906 they intimated to the Lieutenant-Governor their desire to commemorate the safe return to England of Their Royal Highnesses by placing at His Royal Highness' disposal a sum of Rs. 1,00,000 as *Sarwarna.*

The school was finally opened on December 10th, 1908. Since then it has received evidence of much kindly interest from Lady Dane, and on April 3rd, 1909, on the occasion of His Excellency the Viceroy's visit to Lahore, Her Excellency the Countess of Minto was graciously pleased to meet the members of the Ladies' Committee, and to inspect the school.

Aims of the School.—This school has been founded by the Rajas and gentlemen of the Puujab in order to give the girls of the Provincc an education suitable to their position.

Preparation of home duties.—The proposed education is to be first and foremost womanly, therefore pupils will not be prepared for Matriculation, until alternative courses of study suitable for girls be framed by the Education Department.

The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, seeks in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid," invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc.

Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars in the Victoria May School. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit.

Study of English.—In these days there is an ever-increasing intercourse between Indian and English ladies, but although many ladies taught at home are able to read difficult English books, there are few who are able to understand English when spoken or who can express themselves easily.

One of the aims of the Victoria May School is to give the pupils a thorough grasp of colloquial English, and such knowledge of English manners and customs as would be useful to them in social intercourse with English ladies.

Daily lessons are give in English conversation from the kindergarten upwards, and in the upper classes many of the lessons are conducted entirely in English. There is also a class (three times a week) for those married ladies who wish to improve their powers of English conversation.

Educational methods.—Opportunity will be given to the elder girls to study the best methods of teaching, in the hope that they may be qualified to help as inspectors of advisers in girls' schools, a most important sphere of work eminently suitable for educated ladies, but one which up to the present has been almost entirely left to men.

Religious Education.—Reference to the list of subscribes to the Victoria May School will show that all sects are represented, therefore distinctive sectarian teaching cannot be given.

There is, however, much on which all religious-minded people agree. The virtues of modesty, self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such like virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

There is also an Indian Ladies' Committee to give advice in matters relating principally to the Boarding-house.

History of the School.—The proposal to establish a High School for Indian girls of good family was put forward by certain Indian ladies who attended the Purdah Party given at Lahore in honour of Her Royal Highness the Princess of Wales in November 1905. The possibility of putting this proposal into effect was attained by the munificence of the Phulkián States of Patiála, Jínd and Nábha, when in May 1906 they intimated to the Lieutenant-Governor their desire to commemorate the safe return to England of Their Royal Highnesses by placing at His Royal Highness' disposal a sum of Rs. 1,00,000 as *Sarwarna.*

The school was finally opened on December 10th, 1908. Since then it has received evidence of much kindly interest from Lady Dane, and on April 3rd, 1909, on the occasion of His Excellency the Viceroy's visit to Lahore, Her Excellency the Countess of Minto was graciously pleased to meet the members of the Ladies' Committee, and to inspect the school.

Aims of the School.—This school has been founded by the Rajas and gentlemen of the Puujab in order to give the girls of the Provincc an education suitable to their position.

Preparation of home duties.—The proposed education is to be first and foremost womanly, therefore pupils will not be prepared for Matriculation, until alternative courses of study suitable for girls be framed by the Education Department.

The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, seeks in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid," invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc.

Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars in the Victoria May School. Hindi, Urdu and Gurmúkhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit.

Study of English.—In these days there is an ever-increasing intercourse between Indian and English ladies, but although many ladies taught at home are able to read difficult English books, there are few who are able to understand English when spoken or who can express themselves easily.

One of the aims of the Victoria May School is to give the pupils a thorough grasp of colloquial English, and such knowledge of English manners and customs as would be useful to them in social intercourse with English ladies.

From—Messrs. BASANT RAM and Sons, Auditors of Accounts, Nihal Chand's Temple, Lahore,

To—The Secretary, Punjab Public Library, Lahore.

WE have audited the accounts of the Punjab Public Library for the year ending 31st December 1909, and have found them correct. Annas eight less accounted for last year have been taken into account this year. We have seen that all payments are propely supported by vouchers.

Sanction of the Committee.—We have also seen that the various items of expenditure have been duly sanctioned by the Library Committee, but in the following sub-heads there is a slight increase over the Budget sanctioned. The total expenditure sanctioned at the beginning of the year was Rs. 8,695. The actual expenses during the year amount to Rs. 8,217-10-5, and so the total expenditure does not exceed the sanctioned amount:—

APPENDIX IX.

THE Syndicate (dated 21st June, 1909), considered the recommendations of the Sub-Committee appointed to report on the whole question of the remuneration to Examiners (*vide* Sub-Committee's Proceedings, dated 14th May, 1909).

The Registrar read a letter received from Mr. Rudra, who was unable to be present, to the effect that in his opinion no reduction should be made in the case of the Matriculation Examination or in the case of English and Mathematics in the Intermediate Examination, but suggesting that the Oral Examination in English might be abolished.

The recommendations of the Sub-Committee as regards Written Papers in the Matriculation and Intermediate Examinations were accepted by the Syndicate, *viz.*—

Matriculation—For setting a paper, Rs. 30.

For examining an answer paper, annas 6.

Intermediate—For setting a paper, Rs. 50.

For examining an answer paper, annas 12.

In the case of B. O. L., B. A., B. T., B. Sc. Examinations the Syndicate decided to recommend for setting a paper, Rs. 75.

For examining an answer paper, Re. 1-4-0.

For M. O. L., M. A., M. Sc. Examinations the recommendation of the Committee was accepted, *viz.*—

For setting a paper, Rs. 80.
For examining an answer paper, Rs. 2.

Oriental Titles Examinations—The Syndicate agreed to recommend for setting a paper in Honours Rs 20, in High Proficiency Rs. 15 and in Proficiency Rs. 10.

Vernacular Examinations—No change.
Engineering Examinations—No change.

For the Oral Examinations in English the rates proposed by the Sub-Committee were accepted, *viz.*—

Matriculation, 6 annas.
Intermediate, 8 annas.
B. A., B. Sc., 12 annas.

Oral and Practical Examinations in Science—For the *Matriculation* the recommendation of the Sub Committee was accepted, *viz.*—

For setting a paper, Rs. 20.
For examining a candidate, 12 annas (minimum Rs. 15).

In the *Intermediate* the Syndicate after discussion decided to recommend for setting a paper Rs. 50. Physics and Chemistry, also Botany and Zoology to count as separate subjects for this purpose. In cases where the number of the candidates made it necessary to prepare more than one paper in a subject, it was decided that Rs. 50 should be paid for the first paper and Rs. 25 for each additional paper.

For examining a candidate the rates proposed by the Sub-Committee were accepted, *viz.*—

In the Arts Faculty, Re. 1 (minimum fee Rs. 20).
,, Science Faculty, Re. 1-8-0 (minimum fee Rs. 20).

Physics and Chemistry, also Botany and Zoology to count as separate examinations for this purpose. The Additional Test in Chemistry also being regarded as a separate subject.

**B. A., B. Sc.*—After considerable discussion it was decided by a majority to accept the recommendation of the Sub-Committee that no remuneration should be paid under the head of setting a paper, but the rate per candidate was raised to Rs. 3 to each of two examiners (minimum fee Rs. 50).

M. Sc.—In this case a majority was in favour of allowing Rs. 80 for setting a paper and Rs. 5 for examining each candidate (minimum fee Rs. 40).

Practical Examination in Teaching—The recommendation of the Sub-Committee was accepted, *viz.* Rs. 2 for examining a candidate (minimum fee Rs. 30).

Law Examinations—The recommendation of the Sub-Committee, that the fee for examining a paper in the LL. B. Examination should be Rs. 2, was accepted.

Medical Examinations—The recommendation of the Sub-Committee, that the admission fee in the Final M. B. B. S. should be raised from Rs. 30 to Rs. 40 as previously approved by the Syndicate, was accepted.

* The syndicate (dated 25th November 1909) resolved :—
For setting a practical paper in Science Rs. 65 and Rs. 2 to each of two Examiners for examining each candidate.

Proceedings of a Sub-Committee appointed by the Syndicate to report on the whole question of the remuneration of Examiners.

A Meeting was held on the 14th May, 1909, at P. M.

PRESENT:

Rev. J. C. R. Ewing, M. A., D. D., LL. D. (*in the chair*).
Major D. W. Sutherland, M. D., F. R. S. E., M. R. C. P., I. M. S.
R. B. Lala Lal Chand M. A.
Shadi Lal, Esq., R. B., M. A., B. C. L., Bar.-at-Law.
A. C. Woolner, Esq., M.A.

1. The Sub-Committee considered in the first place a statement showing the increase in the cost of remuneration for setting papers and for looking over papers involved by the enhanced rates of the Revised Regulations. The Sub-Committee was of the opinion that taking the examinations as a whole, the examiners now appointed were examiners of much the same kind as were appointed under the old regulations, and that there was no marked change in the quality of the work done. The Sub-Committee was also of the opinion that it would be possible to secure examiners of the same kind and work of the same quality at lower rates than now paid. Calculations were

also made in a number of cases comparing the amouut paid by the University for the work done in the leisure of a particular period with the official salary received for the same period. It was obviously impossible to found any standard of remuneration on these calculations, but the results tended to strengthen the opinion that the present rates as a whole were unnecessarily high.

2. The Sub-Committee then proceeded to discuss the details of each Examination, and to frame recommendations.

Written Papers.

3. MATRICULATION—

The Sub-Committee considered that the fee for setting a paper in the Matriculation Examination should not be reduced. The increase had amounted to about Rs. 700 only, and the work was involved considerable responsibility, and could not be regarded as very much easier than setting a paper in the Intermediate.

It was resolved to recommend that the fee for examining an answer paper should be 6 annas as before. The difference amounted to Rs. 4,434 on the whole examination.

4. INTERMEDIATE—

It was agreed that for setting a paper Rs. 60 was too high : at the same time the old rate Rs. 40 was considered rather low. Resolved to recommend Rs. 50. For examining an answer paper the Sub-Committee considered that the old rate of 12 annas was sufficient.

5. B. O. L., B. A., B. T., B. Sc —

The present rate being Rs. 80 and the old rate Rs. 50, the Sub-Committee decided to recommend Rs. 60 for setting a paper : the fee for examining an answer paper to be Re. 1 as formerly.

6. M. O. L., M. A., M. Sc.—

Resolved to recommend Rs. 80 for setting a paper as formerly—and Rs. 2 for examining a paper as at present. This fee of Rs. 2 to be maintained on account of the small number of candidates.

7. ORIENTAL TITLES EXAMINATIONS—

It was noted that an increase of something over Rs. 1,000 had been caused by raising the remuneration for setting papers in these Examinations. The old rate was Rs. 40, Rs. 30 and Rs. 20, for a set of 3 papers for Honours, High Proficiency, and Proficiency respectively—one of the three papers sometimes containing as many as 5 subjects and running to seven pages of the Calendar.

The Sub-Committee considered that that was an extremely low rate, and had reason to believe it was difficult to obtain the services of the kind of examiner desired at the rate of Rs. 13-5-4, Rs 10 and Rs. 6-10-5 for setting a paper. At the same time the Sub-Committee doubted whether the University could pay at three times that rate, *i. e.* Rs. 40, Rs. 30 and Rs. 20 per paper while the admission fees remained so low as Rs. 10, Rs. 7 and Rs. 4 respectively. Resolved to recommend that the remuneration to examiners remain as at present, provided that the admission fees be raised to Rs. 12, Rs. 8 and Rs. 5 respectively. This would give an increase on the present numbers of Rs. 408. Otherwise the Committee would recommend a reduction of the remuneration for setting a paper to Rs. 20, Rs. 15 and Rs. 10, which would save about Rs. 500.

8. VERNACULAR EXAMINATIONS—

As the remuneration had not been raised and was as low as Rs. 10 for a paper in the Proficiency Examination, the Sub-Committee did not recommend any reduction.

It was noted that for Proficiency in Urdu this year the remuneration amounted to Rs. 62-4-0 against a fee income of Rs. 4 and in Proficiency in Hindi the remuneration amounted to Rs. 64-8-0 against fees amounting to Rs. 8.

9. ENGINEERING—

No change was recommended.

10. ORAL EXAMINATIONS IN ENGLISH—

The Sub-Committee resolved to recommend that if Oral Examinations in English are retained, Examiners be paid at the following rates :—

Matriculation	...	... 6 annas
Intermediate	...	... 8 annas
B. A. ...	...	... 12 annas

11. ORAL EXAMINATIONS IN SCIENCE—

Matriculation—

Resolved to recommend for setting a paper Rs. 20, for examining a candidate 12 annas (minimum Rs. 15).

Intermediate—

For setting the paper in each subject Rs. 40, except in the case of the paper in Physics and Chemistry, for which Rs. 60 should be allowed.

(NOTE.—A paper divided into two or more portions to be considered as one paper.)

For examining a candidate in the Arts Faculty Re. 1 (minimum fee Rs. 20), for examining a candidate in the Science Faculty Re. 1-8-0 (minimum fee Rs. 20). Physics and Chemistry to count as separate examinations for this purpose in both Faculties—similarly with Botany and Zoology in the Science Faculty. For the Additional Test in Chemistry a separate paper would be set, and Re. 1-8-0 allowed for the examination of each candidate.

B. A., B. Sc.—

In the case of these Examinations held in one centre the Sub-Committee considered that as in the case of the Medical Examinations no remuneration should be paid under the head of setting a paper.

All the work done by the Examiner in connection with the examination should be remunerated by fixing an adequate fee per candidate. If the work involved in examining in a particular subject should be shown to be considerably greater than in some other subject, the fees could be adjusted accordingly.

Resolved to recommend in the B. A. Re. 1-8-0 to each of two examiners, in the B. Sc. Rs. 2 to each of two examiners (minimum fee Rs. 30 in each case).

M. Sc.—

Similarly the Sub-Committee resolved to recommend no remuneration for setting a paper. Rupees 5 for examining each candidate, the minimmm fee being raised to Rs. 50.

12. PRACTICAL EXAMINATION IN TEACHING—

In this case also the Sub-Committee held that there was no need for remuneration under the head of setting a paper, and resolved to recommend Rs. 2 for examining a candidate with a minimum fee of Rs. 30.

13. PRACTICAL EXAMINATION IN ENGINEERING—

Resolved to recommend that this remain as at present. Rs. 2 per candidate, with minimum fee of Rs. 20.

14. LAW EXAMINATIONS—

Resolved to recommend that the fee for examining each answer paper in the LL. B. Examination be Rs. 2 as in other Professional Examinations.

15. MEDICAL EXAMINATIONS—

The Sub-Committee resolved to recommend the raising of the admission fee in the Final M. B. B. S., from Rs. 30 to Rs. 40 as recommended by the Medical Faculty and approved by the Syndicate, rather than the reduction of the remuneration to the Examiners.

PUNJAB AND ITS DEPENDENCIES.

Published by Authority.

LAHORE, FRIDAY, APRIL 1, 1910.

PART III.

Notifications by Chief Court, Financial Commissioner, Accountant-General, &c

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR LETTER No. 4.

FINANCIAL COMMISSIONER'S OFFICE,
Dated Lahore, the 23rd March 1910.

FROM

E. R. ABBOTT, ESQUIRE,

Senior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS,
SETTLEMENT COMMISSIONER AND SETTLEMENT OFFICERS
IN THE PUNJAB.

SIR,

I AM directed to invite your attention to Financial Commissioner's notifications Nos. 61 and 62, dated 18th March 1910, the effect of which is to abolish the present rules under the Land Revenue and Tenancy Acts with effect from April 1st, 1910, from which date the Revised Revenue Circulars also, with the exception of No. 55—Taccavi, are hereby cancelled.

2. The Revenue Circulars have been recompiled and the new compilation will be known as " Standing Orders " of the Financial Commissioner.

3. Of the present Land Revenue and Tenancy rules such as were notified as rules of the Local Government have not been cancelled : of the rest, those which it is thought necessary should have the force of law have been gazetted under Financial Commissioner's notifications Nos. 142, dated 9th November 1909, and 145, dated 13th November 1909. The complete new rules are included in a volume of Land Administration Acts, which contains all the Acts, with rules under the same, which are generally required for reference by Revenue Officers. Such of the present rules as need not have the force of law have been included either in the Standing Orders or in the Settlement and Land Administration Manuals.

4. The second edition of the Settlement Manual and the Land Administration Manual have already been distributed. The Land Administration Acts and the Standing Orders are now under issue. It has been found impossible to have Standing Orders Nos. 5, 32 and 56 ready in time, but they will be issued shortly.

5. During the process of re-arrangement alterations have been incorporated in certain cases both in the new rules and in the Standing Orders. Intimation of the alteration has usually been afforded by circular letter, but some cases may have escaped notice. To reduce as far as possible the inconvenience which will be felt at first in consequence of the changes now made, reference tables have been prepared and will be found in the volume of the Land Administration Acts and also in the Standing Orders.

6. I am accordingly to direct that with effect from April 1st references to the present Land Revenue and Tenancy Rules and to the Revised Revenue Circulars may be discontinued and references to the Settlement Manual (2nd edition), the Land Administration Manual, the Land Administration Acts, and the Standing Orders substituted.

7. One English copy of the Land Administration Manual, the Land Administration Acts and the Standing Orders will be supplied for each tahsil. For the use of the subordinate revenue establishment and tahsildars and naib tahsildars unacquainted with English selections from the rules and orders will be translated and supplied as soon as possible.

I have, &c.,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

When all had been presented, the Vice-Chancellor delivered the following address:—

THERE have been some interesting events in connection with the Panjab University during the past year.

A new departure has been the election by the Fellows and Honorary Fellows of the University of a member to represent them on the Legislative Council.

Six candidates were nominated, and out of the total number of 104 Fellows and Honorary Fellows, 93 voted, and Rai Bahadur Shadi Lal, M.A., B.C.L., was elected.

Two Colleges out of the total number connected with the University are its own special children. It is pleasant to be able to record that the Law College has at last been put on a much more satisfactory basis than heretofore. A permanent and efficient staff consisting of a whole-time Principal and two

Professors have been appointed, and the College has been well housed in the new and handsome Bharat buildings. The danger seems to be that it may become too popular to suit the interests of a profession already overstocked. The Oriental College cannot be said yet to have reached its ideal condition. But the whole of the questions connected with it are receiving most careful and sympathetic consideration, and it is hoped that a scheme may be evolved and carried through which will provide at once for the preservation of "old" learning and what is good and useful in older methods and at the same time for that "comparative" study which the trained intellect of the day recognizes as essential to any true scholarship in any language. With the knowledge that we have, a Chancellor who has the fullest sympathy with the furtherance, conservation, and enlightened study of Oriental language and literature, it should not be impossible for us to solve what is undoubtedly a difficult problem and to get the full advantage possible from the College. This result cannot be said to have been attained yet, and it will only be obtained by the cordial co-operation of all those really interested in furthering the study of Oriental language and literature by the best methods.

And now having dealt with certain matters connected with the working of the University and its Colleges during the year—I turn to a different theme. Many distinguished Chancellors and Vice-Chancellors have addressed convocation with great learning on points of high scholarship. I shall make no such attempt. As your Vice-Chancellor, I may claim the right to speak alike to teachers and learners associated with the University of their duties and privileges, but I make another and I think a higher claim—to speak plainly and straightly to you; and that claim is the right to speak as a friend. The doings, the feelings, the aspirations and the future of the younger generation have always excited feelings of deep interest and sympathy in my heart, and it is because of that sympathy which is full and free that I feel entitled to speak plainly to you, and to say things which are not altogether soft and honeyed as well as words of praise and encouragement. Some of what I am about to say I have already said on occasions when giving away the prizes or visiting particular Colleges, but that I cannot help.

First I wish to say a few words to my colleagues on the Senate. The Panjab University is now no mean institution and it is one of increasing importance. To be a Fellow is now a marked distinction, and we Fellows all owe a duty of a high order to the University. The Syndicate is, as it were, the cabinet of the Senate and does most of the executive and administrative work of the University, but all big questions and questions of principle come to the Senate. I trust that in that Senate, while all real differences of opinion shall be frankly expressed, a spirit of true unity shall always prevail. I hope we will, in the future as in the past, one and all keep the interests of the University before our eyes and do our best to serve them. I take this opportunity of thanking the members of the Senate for their cordial assistance in the past, and the members of the Syndicate for their labour in the service of the University, labour which I know from personal experience to be often onerous and difficult.

To the Principals and Professors of various Colleges there is not much which I feel entitled to say. They constitute a learned body to which I look up with respect not unmingled with awe. On one point only will I touch. As regards educational methods I may know little. But on the human side I have a word to say. At the present moment in particular the relations of Professor and student are the subject of most anxious observation and comment. It does behove all engaged in tuition at present to use all the influence for good over their students which they possibly can. That many members of the College staffs do get to know their pupils well personally, and use the power which can only be gained by real personal sympathy in the furtherance of their pupils' best interests, is well known to me. But to speak frankly I hear of a certain amount of apathy in this direction, and in one or two cases, I fear, I have heard of the exact opposite, *i. e.*, the use of influence on the part of teachers to involve their students in matters beyond their sphere, and to influence them in directions not for their advantage. If these rumours are true, I trust they are not, no words could be too scathing in condemnation—no action too drastic. But what I meant to say to-day is simply to express a hope for more personal intercourse between teachers and taught, and more intimate sympathy, which cannot but result in advantage to both classes. Of the student problem which looms so large at present, I mean to say a little more when I speak directly to the students themselves, but I would have you remember that its solution lies very largely in your hands and I am exceedingly glad to know that so much is being done by so many in the right directions.

And now, my younger friends will you let me say a few words directly to you. First, let me speak to those of you who are still in *statu pupillari*, who have not finished your college courses or taken your final degree. First of all let me express my sympathy for you all in having examinations before you. To most of us examinations are hateful things. The only man I ever knew who looked upon examinations as an amusement, is now our Chancellor. But as with him it was always only a question of how far he stumped the examiners, or whether he should be first in every subject or only the majority, we cannot form ourselves on his model. Personally I always disliked them very much, I had a great many to go through, and I am sure, you, most of you dislike them too, so here we have another bond of sympathy.

But remember always that examinations are merely a contrivance to test the extent to which we have been educated—they are in no sense an aim and object of education itself. They are not a perfectly satisfactory contrivance, but, alas, no other has yet been discovered to take their place. So, my young friends, without making a fetish of the examinations, do your best to take advantage of all the educational opportunities offered to you. I do not suppose anyone ever takes complete advantage of his opportunities, but the nearer you come to that the better, and the greater will be your satisfaction now and in after life. Work your best, because it is a duty you owe to your parents and relations, your teachers, and above all to yourselves. And in your play, and I hope each one of you will take your fair share of play, do the same. Play thoroughly so as to get the most enjoyment and benefit out of it. The best type of student is one who can work well as the main object, and play well as the minor and subsidiary object. And in all your relations with your fellow-students be always honorable, honest, kindly, and straight. Remember that a College influence is easily gained and lost, and that all your actions must affect others besides yourself. No one can live to himself and each one of you will find yourself happy and content just in so far as you put the happiness of others above your own. The first murderer when confronted with his God asked "Am I my brother's keeper," and the unspoken answer has thundered from the conscience of humanity down the long vistas of time to each one of us "Yes, you are." So let each of you so live that his fellow-students may be the better for his presence and not the worse, and that his College and his University may

be proud of him. You cannot all be first in any subject, but the student who ought to be first and is only second is disgraced, whereas the student whose mental powers and opportunities only qualify him to be 20th deserves honour if he is 19th. Be the best of which each of you is capable, that should be your aim.

And for you who have to-day put the end and crown upon your student life, who have taken your final degree and are passing out into the broad world, let me say a few words of sympathy and counsel. I think it is quite true, and it is always impressed upon students on these occasions, that in one sense your education is only beginning and will go on as long as you live, it is also true that one phase of your lives is passed, never to return. I hope that your student lives have been not merely beneficial to you but also happy, and that you have pleasant memories of Alma Mater to look back to. I wish every one of you success in that path of life which you may choose.

But upon you too I wish to impress this idea that the highest form of life you can choose, quite independently of the means by which you make your daily bread, is a life of service. Let me speak quite frankly to you for one moment, all of you passed or unpassed. The Indian student is at present under very close observation. It is not too much to say that he is under the microscope. During the past few years, we will say nothing of the horror of this year, his conduct and his character has been scrutinized and much adverse criticism has been passed on him. The Indian student is said to be treading a dangerous path and the question is asked "Where will it lead him ?" All who have his welfare at heart are anxious on this point. The name of the Indian student is in danger of becoming a by-word for self-conceit, want of discipline and moral ballast, and other undesirable qualities. I am far from endorsing these unfavourable criticisms. But they have been passed, and, my friends, I want the students of our great Punjab University to give a complete and satisfactory answer to the question "Where are you going" by their conduct. I want each one of you starting on your life's work to sit down and think how he can best frame his life so as most to serve God and man. Yes, I may be old-fashioned, but I care not what your religion is named. I call upon each and all of you to keep God as the ruling power in your lives and to spend them in the service of God and man. By all means let those who have passed out of the state of pupilage, into that condition in which they can no longer turn to professions and masters to guide them, or to curriculums to set out their tasks, look into any and every question, religious, political, historical, ethical, and so on, which interests them. Let the college student study what he pleases, but keep himself from active participation until he has left the student stage. But let one and all of you put before himself, not the consummation of any pet fancy, political, economic, religious or otherwise, but the good of his neighbour. Let him always show that respect and deference to his parents and elders and all to whom respect is due which it is right and becoming in him to show. Let us each see how we can raise the moral, mental, economic, social, spiritual condition of those touched by our lives, let us work hard and honestly, and let us play so as to increase not only our own happiness but that of others; let us show that the lessons we have learned from our Panjab University, are lessons of self-restraint, respect for all that is good, of unselfishness, of desire to benefit others, of purity, high-mindedness, morality and self-mastery. To learn how to rule your own souls is the highest lesson you can learn. Apply all these lessons in your lives, be pure, be kind, be pitiful, help the weak, share the grief of the sorrowful, the joy of the gay, raise the moral conditions of the community to which you belong, serve your day and generation to the best of your ability, in short, serve your God and serve your neighbour whoever he may be, of whatever race or creed, or colour, and you will give a glorious and triumphant answer to the question "What is to be the future of the Indian student ?"

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR LETTER No. 9.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, the 13th May 1910.

FROM

E. R. ABBOTT, ESQUIRE,

Senior Secretary to the Financial Commissioner, Punjab,

TO

ALL DEPUTY COMMISSIONERS AND SETTLEMENT OFFICERS IN THE PUNJAB.

SIR,

Sub-head 491.
File No. 54.

IN continuation of circular letter No. 1637, dated 4th June 1908, from the Director of Land Records, I am directed to invite your attention to the following :—

Paragraph 18 of the Land Record Department Report for the year ending 30th September 1909.

Extract from paragraph 9 of the Financial Commissioner's comments on the report.

Paragraph 6 of the orders of the Punjab Government.

2. The Government orders refer to previous orders passed on the report for the year ending 30th September 1907. These are reproduced below for convenience of reference :—

" The sadr kanungo's office work has been lightened by the appointment of one or two revenue inspection muharrirs in each district whose duty it is to produce records in civil and other courts when required. Attention is called by the Commissioner of Jullundur and the Deputy Commissioner of Ferozepore to an abuse which I have noticed elsewhere and which should be strongly resisted, whereby the sadr kanungo is made to prepare lengthy abstracts from the revenue records to help courts and pleaders who are ignorant of their way about jamabandis, &c. " (Paragraph 16 of Director of Land Records' report for 1906-07.)

" The Director has again noticed the demands made upon the time of the record-room staff in connection with the work of the courts, and His Honour requests that the Financial Commissioner will issue directions with regard to the abuse brought to notice in paragraph 16 of the report. The Lieutenant-Governor believes that an even greater evil exists in the frequent attendance of patwaris in judicial cases to give oral evidence of the contents of the records in their charge. The practice is objectionable, as not only leading to a great waste of the patwaris' time, but giving them a direct interest in fomenting litigation. In most cases extracts from the records would be sufficient and more satisfactory for the court which requires the evidence." (Paragraph 6 of Government orders on Director of Land Records' report for 1906-07).

The circular letter of 4th June 1908 referred to these orders.

3. The whole question was considered in 1892 (see Financial Commissioner's circular No. 3 of 1892), and orders were then issued by the Chief Court after consultation with the Financial Commissioner. These will be found in section XII of the Chief Court's Instructions to Judicial Officers, and the necessity of careful compliance with them should be pointed out, with the help of the District Judge, to all Civil Courts. They are equally applicable to Revenue Courts.

4. Patwaris ought not to be called away from their ordinary duties to give evidence in courts if the information required can be got from the certified extracts from their records which it is the duty of the parties to file. It is only where the meaning of the entries is obscure or doubtful that they should be summoned to explain them.

5. Though requisitions for the production of records-of-rights are addressed to the district kanungo, it should very rarely be necessary for him to attend courts in person. He has one or more assistants on Rs. 25 or Rs. 30, and additional muharrirs on Rs. 20 and Rs. 10 have been appointed mainly on account of the burden which the duty of producing records throws on the district kanungo's office. It is for the Deputy Commissioner to decide to what members of the district kanungos office staff the work of producing records called for by the courts at the sadr can properly be entrusted. Some of the muharrirs, especially those on Rs. 10, may be unable to give the courts that assistance " in tracing out entries required by the court " which they are entitled to ask for under the existing orders.

I have, &c.,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR LETTER No. 11.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, the 27th June 1910.

FROM

H. S. WILLIAMSON, ESQUIRE,

Junior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

AMONG the Standing Orders of the Financial Commissioner which were brought into force from the 1st April 1910 attention is drawn to No. 62—Record Rooms. This circular has been under revision for many years, and never issued as a revised revenue circular at all. In an authorised form it was, till April of this year, to be found only in the old volume of revenue circulars under the head 42—Administrative. It has now been brought up to date and record-keepers should be instructed to read it carefully. Attention is also drawn to part E 'Inspection of records' which embodies what is still in force of the old land revenue rules 295 to 304. An important change which has led to other changes in the subject-matter of the old rules is in rule 36 "the fee shall be paid by means of court fee adhesive stamps affixed to the application." This is in accordance with Government orders issued while the circular was under revision. If this order has not yet been carried out, all Deputy Commissioners should see that it is enforced from the 1st July.

I have, &c.,

H. S. WILLIAMSON,

Junior Secretary to the Financial Commissioner, Punjab.

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR LETTER No. 12.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, 29th June 1910.

FROM

H. S. WILLIAMSON, ESQUIRE,

Junior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

CIVIL Courts sometimes issue orders attaching money awarded to owners of land compulsorily acquired by Government before payment has been tendered to the owners. The Financial Commissioner considers that such orders are illegal, as a Collector acquiring land is bound by section 31 (1) of Act I of 1894 "to tender payment of the compensation to the persons entitled thereto according to the award". A Collector receiving such an attachment order should request the Civil Court to withdraw it on the above ground. If the Court is of a contrary opinion and the attachment order is not withdrawn, the case should be reported for orders. The Financial Commissioner will then take steps to get a judicial decision regarding the point in dispute.

I have, &c.,

H. S. WILLIAMSON,

Junior Secretary to the Financial Commissioner, Punjab.

CIRCULAR LETTER NO. 13.

FINANCIAL COMMISSIONER'S OFFICE,

Dated Lahore, 1st July 1910.

FROM

E. R. ABBOTT, ESQUIRE,

Senior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

I AM directed to invite your attention to the instructions given in paragraph 18 A of Financial Commissioner's Standing Order No. 31, prescribed by Correction Slip No. 49 S. O., dated 1st July 1910. It is of great importance to ascertain whether the estimate, framed by the Settlement Officer at settlement, of the demand brought out by his rates, is being realized in practice in areas under systems of fluctuating assessments, and I am to request that Deputy Commissioners and Commissioners will take steps to ensure that the statement is correctly prepared. The statement need not be prepared for assessment circles in which any portion of the fluctuating land revenue assessment is made by the Irrigation Department.

2. The D II statement which is due to this office by August 15th should not, however, be delayed for this inquiry; and, if in submitting the statement for 1909-10, it is found that the calculation of the entry for column 4 will cause delay, that column may be left blank until the following year.

I have, &c.,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

CIRCULAR LETTER NO. 14.

FINANCIAL COMMISSIONER'S OFFICE,

Dated Lahore, the 2nd July 1910.

FROM

E. R. ABBOTT, ESQUIRE,

Senior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS AND DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

I AM directed by the Financial Commissioner to explain that the ordinary inspections of the Director's Assistants are confined to records filed, and registers maintained, in tahsil and district offices. But for special reasons, it is open to any Deputy Commissioner through the Commissioner, or to the Commissioner himself, to apply to the Director of Land Records for the services of one of the Assistants to make a detailed inspection of revenue records within patwaris' circles in any tract, or to assist the Revenue Assistant in supervising the preparation of jamabandis. The deputation for such purposes could only as a rule be for three weeks or for a month. While employed as above the Director's Assistant would work under the orders of the Deputy Commissioner and submit his reports to the Director through the Deputy Commissioner and Commissioner.

I have, &c.,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

1. Read the first proposal on the agenda paper, *viz.*—

That the Budget Estimates of the several accounts of the University for the year 1910-11, as recommended by the Syndicate (*vide* paragraphs 2 and 4 of the Syndicate Proceedings, dated the 11th March, 1910), be approved (*vide* Appendix I.)

Bhagat Ishwar Das read from the preamble of the Act of Incorporation (No. XIX of 1882) the statement of the special objects of the Lahore University College, subsequently styled the Panjab University College, which was constituted a University, *viz.*, 'of promoting the diffusion of European Science, as far as possible, through the medium of the vernacular languages of the Panjab, improving and extending vernacular languages generally, affording encouragement to the enlightened study of the Eastern classical languages and literature, and associating the learned and influential classes of the Province with the officers of Government in the promotion and supervision of popular education. Bhagat Ishwar Das then moved a motion to the effect that with the Budget Estimates each year the Senate should be furnished with a report showing what had been done and what had been spent during the year towards carrying out these special objects of the University.

M. Fazl Din seconded the motion, which was carried.

The Budget Estimates as proposed by the Syndicate were then passed unanimously.

2. The second proposal—

That the recommendations of the Syndicate regarding Courses of Reading for 1912, (*vide* paragraph 13 of the Syndicate Proceedings, dated the 24th January, and paragraphs 1 and 3 of the Syndicate Proceedings, dated the 18th March, 1910), be approved.

was carried without discussion (*vide* Appendix II).

3. The third proposal—

That the recommendations of the Syndicate relating to the distribution of subjects in the two English Papers for the Matriculation Examination (*vide* paragraph 14 of the Syndicate Proceedings, dated the 24th January, 1910), be approved.

as carried without discussion.

4. The fourth proposal was that certain amendments be made in the Regulations—

(*vide* paragraph 16 of the Syndicate Proceedings, dated the 24th January, and paragraphs 10 12 and 13 of the Syndicate Proceedings, dated the 18th February, and paragraphs 1, 2 and 3 of the Syndicate Proceedings, dated the 23rd March, 1910).

These were discussed separately.

(*i*) The first amendment was to abolish the oral test in English of the B. A. and B. Sc. Examinations.

Mr Robson spoke at length to the effect that the present test should not be abolished but improved, that it should be made more practical

Mr Crosse seconded this proposal.

The Hon'ble Mr. Muhammad Shafi spoke in favour of the Syndicate's proposal.

Mr. Devi Dayal spoke of the length of time a satisfactory test would take, and of its difficulty.

Mr. Wathen considered that, as the question largely turned on the possibility of a satisfactory test, the Board of Studies in English should have been consulted, and moved that the matter be referred to that Board for opinion.

The Lord Bishop seconded this proposal, saying that the reasons brought forward for abolishing the test were not convincing to his mind.

M. Hakim Ali spoke in favour of an oral examination.

Mr. Robson having withdrawn his motion, with the permission of the Chair, Mr. Wathen's motion was put to the vote and carried by 23 votes to 14.

(*ii*) The next amendment provided for the re-examination in one subject of a candidate who failed in one subject, obtaining 25 per cent. of the marks in that subject, and 45 per cent. of the aggregate, provided that such candidate must attend at least two-thirds of the lectures delivered in the one subject in a College during the year preceding his appearance.

M. Abdul Aziz proposed and Mr. Durga Das seconded an amendment to the effect that 45 per cent. should be required, not in the aggregate of three subjects, but in the aggregate of the two subjects in which he had obtained pass marks.

Mr. Crosse spoke against the amendment, which he said would tend to lower the standard, and react unfavourably on the schools.

This amendment being put to the vote, there voted for 20 and against 19. The Vice-Chancellor not voting. The amendment was declared to be carried.

Mr. Ruchi Ram then proposed and Mr. Abdul Aziz seconded an amendment to the effect that attendance in a college should be only required in the case of a student failing in a Science subject.

Mr. Ishwar Das supported the amendment, alluding to the "wastage" in Indian University Examinations mentioned in the quinquennial report of the Director-General of Education.

Mr. Robson gave another explanation of the large number of failures.

The Registrar spoke against the amendment. The object of the Syndicate's proposal was not to increase the pass percentage by concessions ; it was based on the idea that it was better for a student who failed in one subject, but passed well in two, to spend the next year working at his weak subject ; to make up this marked deficiency in one subject he needed further teaching. The educational aspect of the proposal appeared to be in danger of being lost sight of. He thought that attempts to increase the concession as a mere concession might be regarded as amounting to what was known as "passing by compartments." 'Passing by compartments' would naturally be regarded as a very radical proposal in an Indian University.

Mr. Rudra and M. Hakim Ali spoke against the amendment. On being put to the vote the amendment was lost.

The Vice-Chancellor then said he was sorry that Mr. Abdul Aziz's motion had been carried. He did not feel that the proposal as thus amended was essentially the same as the proposal of the Syndicate which had been circulated to Fellows for opinion.

The Hon'ble Mr. Shadi Lal then proposed, and B. Dan Singh seconded a motion that the matter be referred back to the Syndicate for further consideration.

Mr. Shadi Lal's proposal was carried by 22 votes to 14.

(*iii*) The next amendment provided for the admission of Bachelors of Science of the Allahabad University under certain conditions to the 1st Professional Examination in Medicine.

This was approved unanimously.

(*iv*) Two amendmends referred to the Law Examination :—

(*a*) The first of these provided that '50 per cent. in the aggregate' should not be required for passing the 1st Examination in Law or the LL. B. Examination. This amendment was approved.

(*b*) The second was to insert a clause, as in the B. A. Examination, that if a student obtains 50 per cent. of the aggregate, but fails in one subject only by not more than 5 marks, he shall be deemed to have passed.

A discussion arose as to whether in the case of the 1st Examination in Law this would supersede the present rule by which a candidate who fails in one paper only, but obtains two-thirds or more of the aggregate in the six papers in which he passes, may reappear in one paper only.

Mr. Fazl Husain and Mr. Abdul Qadir suggested that the matter should be referred back to the Syndicate for a statement on this point.

The Hon'ble Mr. Shadi Lal and Mr. Golaknath stated that the intention of the proposal was that the rule in question should be superseded, and that the Syndicate's proposal could be taken to include the omission of that rule.

The question being put to the vote, it was decided by 19 votes to 12 that the proposal included the omission of the rule about re-examination in one paper.

The proposal as thus defined was then carried.

(*v*) The next amendment consisted of a revised draft of the Inter-Collegiate Rules (*vide* Appendix III *a*).

Mr. Durga Das proposed, and Mr. Abdul Aziz seconded, an amendment to substitute "15th May" for "8th May" throughout, on the ground that the time left for students to make all arrangements for joining a college was too short.

Lala Hans Raj supported this amendment. He agreed that it was advantageous for every student to join at the beginning of the term. A great improvement had been effected since the days when students were allowed to join as late as December. He thought, however, the present reduction from six weeks was too drastic.

Mr. Robson spoke against the amendment. It was inconsistent to say the term began on the 1st May, but that there was no need to join till a fortnight later. If only the Senate would pass the rule, practically all students could and would join on the 1st May, and all genuine cases of difficulty could be met by the permission of the Syndicate.

Mr. Durga Das' amendment was then put to the vote and carried by 25 votes to 14.

Mr. Abdul Aziz then proposed the retention of clause (*c*): "If a student wishes to change his college on the ground of religious scruples."

Mr. Robson explained that every genuine case of religious difficulty would be met as before by the Syndicate's permission to migrate, but the inclusion of this clause in the rules had led to its misuse in certain cases.

Mr. Aziz's amendment was lost by a large majority.

The revised rules were then put to the Senate and carried unanimously.

(*vi*) The next amendment dealt with the election of Boards of Studies (*vide* Appendix III *b*).

The Syndicate's proposals were carried unanimously.

5. The Senate then dealt with four motions for disaffiliation under sub-section (4) of Section 24 of the Indian Universities Act of 1904.

The first three concerned institutions in Simla, *viz.*—

(*a*) Auckland House,

(*b*) St. Bede's College,

(*c*) Bishop Cotton School.

In each case the opinion of the Syndicate that the rights conferred by affiliation should be withdrawn was endorsed by the Senate.

The fourth motion was for the disaffiliation of the Hindu College, Delhi.

The Syndicate had reported in favour of total disaffiliation: but had recorded that as regards the B. A. Classes the opinion was unanimous, whereas the recommendation for disaffiliation of the Intermediate Classes had been carried by one vote.

The Vice-Chancellor then stated that he had in his hands a subscription list according to which leading citizens of Delhi undertook to provide nearly Rs. 500 a month for two years to keep the college going as a second grade college for that period. He was informed that it was intended to make a fresh effort during that period to collect funds to place the institution on a sound financial footing.

He had also received from Kolhapur a telegram from the Mantri to His Holiness the Jagadguru of Hampi undertaking to pay off the college debt.

The Hon'ble Mr. Sultan Singh said that a new interest had been awakened in the matter of the Hindu College since the references to the subject by His Honour the Lieutenant-Governor at the recent Darbar.

The matter had been taken up by the general Hindu public of Delhi. A separate committee had been formed to collect funds. The amounts already promised were to meet the current expenses of carrying on the Intermediate Classes. This was to gain time for raising sufficient funds to make the College self-supporting. It was recognised that, if after two years these efforts should have proved unsuccessful, total disaffiliation would follow as a matter of course.

The Hon'ble Mr. Shadi Lal proposed, and Khan Bahadur Ghulam Muhammad Hussain Khan seconded, a motion that the Senate record the opinion that the Hindu College, Delhi, should remain affiliated for the Intermediate Courses of the Arts Faculty.

Affiliation could not be given for a limited period of time, but it could be understood that the question would be reconsidered if satisfactory arrangements had not been made in two years.

Mr. Robson proposed that the question be referred back to the Syndicate.

Several members pointed out that if this was done, the uncertainty of the position would be a set-back to the efforts now being made on behalf of the College.

The question was then put in regard to the B. A. Classes whether the Senate endorsed the opinion of the Syndicate that the rights of affiliation should be withdrawn, and the Senate was unanimous in endorsing the opinion of the Syndicate in this respect.

Mr. Shadi Lal's motion was then put and carried by a large majority.

The remaining proposals of the Syndicate were passed without discussion, *viz.*—

6.—That the recommendations of the Syndicate regarding the extension of affiliation of Sri Pratap Hindu College, Srinagar, to include Intermediate Course in Arabic, be approved (*vide* paragraph 8 of the Syndicate Proceedings, dated the 24th January, 1910).

7.—That the report of Government Auditor for the year ending 31st March, 1909, be approved (*vide* paragraph 1 of the Syndicate Proceedings, dated the 11th March, 1910).—*Vide* Appendix IV.

8.—That the list of Examiners for the B. T. Examination of 1910, appointed by the Syndicate, be approved (*vide* paragraph 8 of the Syndicate Proceedings, dated the 11th March, 1910).—*Vide* Appendix V.

9.—That the list of Oral Examiners for the Examinations of 1910, appointed by the Syndicate, be approved (*vide* paragraph 1 of the Syndicate Proceedings, dated the 18th February, 1910).—*Vide* Appendix VI.

10.—That the recommendations of the Syndicate relating to the assigning of Fellows to Faculties, be approved (*vide* paragraph 5 of the Syndicate Proceedings, dated the 18th March, 1910).—*Vide* Appendix VII.

11.—That the list of Examiners for the Medical Examinations of 1910, appointed by the Syndicate, be approved (*vide* paragraph 6 of the Syndicate Prooeedings, dated the 24th January, 1910).—*Vide* Appendix VIII.

12.—That the list of Examiners for the First Examination in Civil Engineering, appointed by the Syndicate, be approved (*vide* paragraph 9 of the Syndicate Proceedings, dated the 11th March, 1910).—*Vide* Appendix IX.

13.—That the appointment of Lala Harnam Das as the University Auditor be approved (*vide* paragraph 1 of the Syndicate Proceedings, dated the 11th March, 1910).

Registrar, Panjab University.

APPENDIX I.

Proceedings of Board of Accounts at a meeting held in the Senate Hall, Lahore, on Saturday, the 5th March, 1910, at 6 P.M.

PRESENT:

Revd. J. C. R. Ewing, M.A., D.D., LL.D., *Vice-Chancellor (in the chair)*.
The Hon'ble Mr Shadi Lal, R.B., M.A., B.C.L., Bar.-at-Law.
A. C. Woolner, Esq., M.A., Registrar.

1. The Board considered the Government Auditor's Report on the year 1908-09 as contained in letter No. 1086, dated the 5th of October, 1909, from the Accountant-General, Panjab, to the Chief Secretary to Government, Panjab, forwarded under No. 1532, Home-General, dated 28th October, 1909.

The Accountant-General had recommended that the General Endowment Fund should be amalgamated with the Current Account. The Board considered that this was inadvisable, as the capital of the General Endowment Fund was not available for general purposes to the same extent as the Securities held under the Current Account. The recommendation that the Pension Contribution Fund should be merged in the Current Account was approved by the Board.

With reference to the objection that certain Exminers' bills did not bear the signature of the drawers, the Board was of the opinion that the signature on the receipt was sufficient; such bills were frequently drawn up in the office to expedite payment, and this arrangement appeared more satisfactory.

With regard to the objection that fees paid to Examiners resident in the mufassil are not reported to the Collector of that district, the Board noted that a list was sent to the Income Tax Officer, Lahore District, in accordance with his letter No. 210 of 21st November, 1896, and that other Examiners were scattered all over India.

2. The Board considered that, as the University audit of the accounts was considerably in arrear owing to delay in appointing an auditor after the death of the late auditor, some arrangement should be made at once. It was resolved to recommend the immediate appointment of Lala Harnam Das, retired Superintendent of the Accountant-General's Office, Lahore.

3. The Board considered three applications for promotion from members of the University Office staff.

Resolved to recommend that M. Abdulla, Accountant, be placed on the Rs. 120 to Rs. 150 grade, drawing Rs. 126 from 1st April, 1910; that Pandit Tribhawan Parshad be placed in the Rs. 40 to Rs. 60 grade, drawing Rs. 44 from 1st April, 1910; and that the pay of the second Daftri be raised from Rs. 10 to Rs. 11 per mensem.

4. The Registrar laid before the Board statements of the income and expenditure of the various University accounts during the year 1908-09, revised estimates for the year 1909-10, and estimates of the probable income and expenditure for the year 1910-11.

After some modifications of the estimates had been made it was resolved to submit the Budget to the Syndicate.

5. In connection with the Budget Estimate it was noted that, owing to the reduction in the number of candidates for the Medical Examinations, the University would be running those examinations at a loss.

Rosolved that the attention of the Syndicate be called to this matter.

6. It was agreed to recommend that the following sums out of the expected balance on April 1st, 1911, in various Special Trust Funds be invested in Government Promissory Notes:—

Special Endowed Trust Account—

No. 5. Mayo-Patiala Readership, Rs. 700.
No. 27. Prince Albert Victor-Patiala Scholarships, Rs. 700.

7. The President of the Board appointed Mr. A. C. Woolner under Regulation 23 of Chapter XV to pass and sign the accounts books of the University.

CONFIRMED.

J. C. R. EWING,
Chairman.

A. C. WOOLNER,
Registrar.

APPENDIX III (B).

Report of a Sub-Committee of the Syndicate appointed to consider certain proposals for the revision of the Regulations for the Election of Boards of Studies.

A MEETING WAS HELD ON FRIDAY, THE 29TH OCTOBER, 1909, AT 5 P.M.

Present :

R. B. Shadi Lal, Esq., M.A., B.C.L., *Barrister-at-Law.*

B. Mouat Jones, Esq., M.A.

A. C. Woolner, Esq., M.A., *Registrar.*

1. Mr. Jones in his letter to the Registrar, dated the 27th May, 1909, had proposed certain modifications of the Regulations for the Election of Boards of Studies, on the principle that the Board for any subject should not be elected by members of a Faculty, the examinations in which did not include that subject, as, *e.g.*, he regarded as anomalous the voting for a Science Board by members of the Oriental Faculty and the voting for an Oriental Language Board by members of the Science Faculty.

2. The Sub-Committee accepted this principle which had been adopted in the case of Law and Medicine, but owing to the overlapping of subjects, had not been applied to

the other Boards. It was accordingly resolved to recommend to the Syndicate an amendment of Regulation 2 of Chapter V to provide for the Boards being elected by the Faculties as follows :—

No.	*Board.*		*Faculty.*
1.	English	...	Oriental, Arts and Science.
2.	Latin, etc.	...	Arts.
3.	Sanskrit and Hindi	...	Oriental and Arts.
4.	Arabic, etc.	...	Oriental and Arts.
5.	Hebrew	...	Arts.
6.	Panjabi	...	Oriental and Arts.
7.	Bengali	...	Oriental and Arts.
8.	Philosophy	...	Arts.
9.	History and Geography	...	Oriental and Arts.
10.	Mathematics and Astronomy	...	Arts and Science.
11.	Physics and Chemistry	...	Arts and Science.
12.	Botany, Zoology and Physiology	...	Arts and Science.
13.	Geology and Agriculture	...	Arts and Science.
14.	Commercial subjects	...	Arts.
15.	Teaching	...	Arts.
16.	Engineering and Drawing	...	Arts and Science.

3. To meet any possible apprehension that this method of election might consume more time owing to the variety of electorate, it was resolved to point out (1) that in the case of a vote being taken, the number of voters in the case of most of the Boards will now be fewer, and (2) that all these 16 Boards could be conveniently elected on one day as follows :—

(*a*) Arts Faculty elects Boards Nos. 2, 5, 8, 14 and 15.

(*b*) Arts and Science Faculties elect Nos. 10, 11, 12, 13 and 16.

(*c*) Arts, Science, and Oriental Faculties elect No. 1.

(*d*) Arts and Oriental elect Nos. 3, 4, 6, 7 and 9.

4. It was also resolved to recommend to the Syndicate that this opportunity be taken to substitute "June" for November in the same Regulation. It had, in the opinion of the Committee, proved unsatisfactory in several ways to change the Boards in November.

November fell in about the middle of the time during which Courses of Reading were fixed, with the result that if a Board's recommendations were referred back for reconsideration, it could easily happen, and had actually happened, that the matter had to stand over until a new Board had had time to consider the matter.

A. C. WOOLNER,

Registrar.

APPENDIX IV.

Copy of a letter No. 1086, *dated the* 5*th of October,* 1909, *from the Accountant-General, Panjab, to the Chief Secretary to Government, Punjab.*

I HAVE the honour to report that the accounts of the Panjab University for the financial year 1908-09 have been test-audited in accordance with the instructions contained in the Panjab Government letter No. 1029, dated the 28th June, 1889, to my address.

The accounts kept during the year are the same as before, and are detailed below :—

(1) Current Account.
(2) Special Endowed Trusts Account.
(3) Unendowed Special Subscriptions and Donations.
(4) The General Endowment Fund Account.
(5) The Oriental College Account.
(6) Pension Contribution Fund Account.
(7) Provident Fund Account.

For each of these accounts a separate cash book and separate floating account is maintained with the Bank of Bengal, Lahore.

The books of accounts Nos. (1) and (5) were examined for three months and those of the other accounts for twelve months. For these months the vouchers for payments were examined as well as the counterfoils of receipts granted and both vouchers and counterfoils were compared with the entries in the cash book and found correct. The transactions for these months were traced from the cash book into the ledgers, and it was found that the postings had been correctly made. By an examination of this nature the Auditor has satisfied himself generally that the expenditure incurred has been duly authorised, that the financial rules have been observed except in the matter of expenditure in excess of budget grants, and that the audit carried out by the auditor appointed by the University has been generally correct. I append a statement of certain irregularities noticed.

An explanation of the excess over budget grants has been furnished by the University officials in the form of a statement which is herewith attached.

It has been ascertained that the Government grants to the University have been legitimately expended on the object for which they were sanctioned except the Building grant which is held in Government securities owing to building operations not having been yet commenced. The safe custody receipt of the Bank of Bengal, Lahore, for the Government securities deposited with the Bank has been compared with the entries relating to those securities in the accounts of the University. The securities stand in the books at the nominal value of Rs. 7,29,900. Of this account, Rs. 3,21,500 appertain to the Special Endowment Fund Account ; Rs. 1,89,600 to the General Endowment Fund ; Rs. 1,81,700 to the Current Account ; Rs. 2,000 to the Pension Contribution Fund ; Rs. 2,100 to the Unendowed Special Subscriptions and Donations ; and Rs. 33,000 to the Provident Fund Account. The securities include Government Promissory Notes for Rs. 32,700 purchased during the year, of which Rs 20,000 were purchased for the current account, Rs. 7,600 for the Provident Fund Account, Rs. 4,600 for the Special Endowed Trust Account, and Rs. 500 for the Unendowed Special Subscriptions and Donations account ; while the Promissory Notes worth Rs. 500 were sold from the Pension Contribution Fund Account, the invested funds of which now stand at Rs. 2,000 as already stated.

The interest accruing on the General Endowment Fund is credited to the Current Account and utilized for expenditure under that head, and as no transactions are recorded under the former head, I think this account might be amalgamated with the Current Account and Securities held under it transferred to the Current Account with the sanction of the Senate.

As no further receipts are realized on account of the Pension Contribution Fund which has been superseded by the Provident Fund, I think no useful purpose is now served by keeping it as a separate account. The account might also merge into the current account, and securities to the nominal value of Rs. 2,000 held under it be transferred to the Current Account with the sanction of the Senate.

As regards the financial position of the University, the transactions for the year, after excluding the special grant of Rs. 50,000 given by Government for the improvement of College Education, Building and Furniture and the expenditure of Rs. 43,723-12-0 incurred against this grant during the year, were as follows :—

	Rs.	A.	P.
Receipts	2,41,021	1	7
Expenditure	2,22,781	7	6
Surplus ...	18,239	10	1

I submit the usual general Cash Balance Statement.

The audit fee of Rs. 100 will be credited as usual as a receipt under the head "XXV—Miscellaneous, Fees for Government Audit," in the Provincial Accounts. As it was found necessary to depute an officer to perform the test audit in addition to his ordinary duties and out of office hours, an honorarium of that amount has been granted to him.

Endorsement by the Panjab Government.

No. 1532 (Home—General), dated Lahore, the 28th October, 1909.

COPY, with copy of enclosures, forwarded to the Registrar, Panjab University, for information, with reference to his letter No. 1231, dated the 4th of August, 1909.

List of Objections and Irregularities.

(1) Bills of Establishment charges are prepared in duplicate; this is unnecessary and may be discontinued.

(2) *Oriental College.*—Correction on page 107 of the ledger has not been attested, *i.e.*, the alteration of the item of Rs. 20-12-10 to Rs. 22-8-0.

(3) In case of fees paid to the Examiners who are residents in the mufassils a report is not sent to the Collector of that district for recovery of income-tax; this should be done in future.

(4) The bills detailed below do not bear the signature of the drawers :—

No. 246, dated 9th June, 1908, on account of fees paid for Intermediate Examination to Lala Khushi Ram for Rs. 25.

No. 247, dated 9th June, 1908, on account of fees paid for Intermediate Examination to Lala Ram Parshad, Khosla, for Rs. 52.

(5) *Bill No.* 218, *dated 6th June,* 1909.—The correction in the bill has not been attested by the drawer.

(6) Bill No. 221, dated 6th June, 1909, for Rs. 305-2-0 includes Rs. 12-10-0 charged by Mian Fazl Muhammad Khan, Head Master, Government School, Karnal, for postage, safe keeping of papers, carriage fare, etc.; no details are given as to how much is included on account of safe keeping, and it is questionable whether charges for *safe keeping* of papers are admissible in addition to charges paid for exmining the papers.

(7) Bill No. 812, dated the 25th January, 1909, travelling allowance bill of Raja Harnam Singh, is wanting.

(8) The Register prescribed for recording advances has not been brought into use.

Miscellaneous Notices and Advertisements.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, *dated 8th December* 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR LETTER No. 15.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, the 6th July 1910.

FROM

E. R. ABBOTT, ESQUIRE,

Senior Secretary to the Financial Commissioner, Punjab,

To

ALL DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

I AM directed to invite your attention to the note to column 3 of Revenue Register No. 6, at page 5 of Standing Order No. 24, in which it is prescribed that separate details are required in columns 4 to 8 for agricultural (*i.e.*, notified) tribes and for "others." These figures have not hitherto been prescribed, and will be required for the general statement prescribed as form No. II for the annual revenue report at page 26 of Standing Order No. 53.

2. As Revenue Register No. 6 is a quadrennial return, I am directed to instruct you to arrange for a special excerption of the necessary figures in the case of villages for which quadrennial returns will not in the usual course be compiled this year.

I have, &c.,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

CIRCULAR LETTER NO. 16.

FINANCIAL COMMISSIONER'S OFFICE:

Dated Lahore, the 6th July 1910.

FROM

E. R. ABBOTT, ESQUIRE,

Senior Secretary to the Financial Commissioner, Punjab,

To

ALL COMMISSIONERS, SETTLEMENT COMMISSIONER,
ALL DEPUTY COMMISSIONERS AND SETTLEMENT OFFICERS
IN THE PUNJAB.

SIR,

PATWARIS are frequently required to give certified copies of entries in their jamabandis, khasra girdawari, and mutation registers. The Financial Commissioner has lately in his Circular Letter No. 3 of 1910 drawn attention to the importance of these copies being exact copies of the entries in the records. The only additions permissible are those required by paragraph 37-A of Standing Order No. 15. Again in partition cases patwaris have to prepare statements A and B referred to in paragraphs 9 and 11 of Standing Order No. 27. At present these copies and statements are prepared in different forms and sizes and the result is that they often become damaged and the files untidy. Moreover the copies are often bulky and much time is wasted in preparing them by hand. The Financial Commissioner desires that Deputy Commissioners (or Settlement Officers in districts under settlement) shall have a supply of blank forms lithographed at the

Mufid-i-'Am Press in the shape most suitable for their district on fool scap or A paper for the following copies and forms :—

(1) Extract from settlement record and last jamabandi (chaubis khana form).
(2) Jamabandi—4 entries, *i.e.* 12 years.
(3) Khasra girdawari—if required.
(4) Statement A—Partition.
(5) Statement B—Partition.

At the top of the first 3 forms the scale of fees chargeable should be briefly but clearly noted as a check on excessive charges. Patwaris should be forbidden to give copies except on these lithographed forms. The forms may be charged for in the patwari contingent bill. They should then be stocked by the office kanungos and issued to patwaris free as required.

I have, &c.,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

Miscellaneous Notices and Advertisements.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, *dated 8th December* 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

E. D. MACLAGAN,

Chief Secretary to Government, Punjab.

Miscellaneous Notices and Advertisements.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

E. D. MACLAGAN,
Chief Secretary to Government, Punjab.

FINANCIAL COMMISSIONER'S OFFICE.

CIRCULAR LETTER No. 19.

FINANCIAL COMMISSIONER'S OFFICE.
Dated Lahore, the 4th August 1910.

FROM

E. R. ABBOTT, ESQUIRE,
Senior Secretary to the Financial Commissioner, Punjab,

To

ALL DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

IN continuation of my circular letter No. 8, dated 16th April 1910, I am directed to forward the following summary of the conditions under which "free grants-in-aid of irrigation works in specially precarious tracts" can be given, from which it will be seen that such grants are of very limited application.

2. In paragraphs 190 and 207 of Part I of the Report of the Irrigation Commission a recommendation was made that in selected areas, which had suffered severely in recent famines and had not since obtained by irrigation or otherwise protection sufficient to guarantee them against the recurrence of similar calamities, landowners should be encouraged to apply for loans on ordinary conditions sufficient to pay for a portion of the cost of private irrigation works (*i.e.*, usually wells), and that Government should make a free grant of the remainder of the cost, the proportion of the free grant to the total cost depending on the property of the applicant and the marginal profit from irrigation, the suggested maximum being half the total amount required, up to a limit of Rs. 500. The Government of India, in paragraph 10 of resolution No. 6, dated 30th November 1905, agreed to free grants being made under such circumstances, *i.e.*, when they are supplied to works, the success of which is calculated to reduce future expenditure on famine relief. Subsequently, in Government of India circular No. 22, dated 20th June 1906, it was decided that the expenditure incurred on account of these free grants-in-aid, which is not likely to be large, should be charged to the head "43—Minor Works and Navigation." In letter No. 1001, dated 3rd July 1908, the Government of India further agreed that, as the law does not provide for the recovery by summary process of such free-grants in case of misuse, the free grant should be limited to half the estimated cost of the work, and that the applicant should be required to take the whole estimated cost as a *takavi* loan, on the understanding that, on the completion of the work, the amount fixed for the free grant would not be recovered.

3. As a result the following procedure was sanctioned by Government in Punjab Government letter No. 168 (Revenue and Agriculture—Irrigation), dated 23rd December 1908:—

(*a*) The money advanced as a repayable loan should be treated in the ordinary course under the Land Improvement Loans Act, a separate agreement being taken regarding it.

(*b*) The money advanced as a free grant should be debited to head "43—Minor Works and Navigation," but as between Government and the recipient, the grant should be treated exactly as if it were a loan under the Act (*i.e.*, a separate agreement embodying the ordinary terms as to interest, security, &c., should be taken from the recipient), but on the expressed understanding that the amount will not be recovered unless the Collector orders recovery to be made on the ground that the work has not been completed according to the conditions laid down for the grant, or that the recipient has applied the grant to purposes other than that for which it was sanctioned.

(*c*) The agreement, thus taken from the recipient of a grant as if it were a loan, should be entered on a separate page of the registers mentioned in paragraph 33 (*a*) and (*b*), of revised revenue circular No. 55, but such grant should not be shown in the other *takavi* registers or included in the quarterly *takavi* returns until they have been misused, *i.e.*, until they actually become recoverable.

(*d*) If the grant is properly applied, therefore, the transaction will never enter into the *takavi* accounts ; when the work is completed, a simple note to that effect should be made under the agreement on the separate page of the *takavi* registers (*a*) and (*b*), and in the accounts the grant will remain as a debit to " 43—Minor Works and Navigation."

By order,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

Miscellaneous Notices and Advertisements.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

E. D. MACLAGAN,
Chief Secretary to Government, Punjab.

Miscellaneous Notices and Advertisements.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, *dated 8th December* 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

E. D. MACLAGAN,

Chief Secretary to Government, Punjab.

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, ***dated 8th December*** 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

Miscellaneous Notices and Advertisements.

THE following is republished for general information:—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

H. P. TOLLINTON,

Chief Secretary to Government, Punjab.

CIRCULAR LETTER No. 25.

FINANCIAL COMMISSIONER'S OFFICE :

Dated Lahore, the 9th November 1910.

FROM

E. R. ABBOTT, ESQUIRE,

Senior Secretary to the Financial Commissioner, Punjab,

TO

ALL DEPUTY COMMISSIONERS AND SETTLEMENT OFFICERS IN THE PUNJAB.

SIR,

I AM directed by the Financial Commissioner to issue the following instructions for the guidance of the Revenue staff employed on Census duties, and to request that they may be strictly adhered to :—

1. The Revenue Officers and the whole of the Kanungo and Patwari staff are, as on previous occasions, being utilized in connection with the Census operations in rural areas. The Naib Tahsildars have generally been appointed Charge Superintendents, but the Tahsildars have been left free for general supervison of Census work in their tahsils. Most of the Kanungos and Patwaris have been appointed Charge Superintendents and Supervisors, respectively. The work of house-numbering which was to be done almost wholly by the Patwaris, must have been finished by the time this Circular reaches them. From the 15th to the end of November 1910 the Kanungos and Patwaris will have no Census work to do. There will be very little to do in December 1910, the only work being the distribution of forms and the training of Charge Superintendents (Field Kanungos) and Supervisors (Patwaris) by the Tahsildar and the Revenue Assistant. In the month of January 1911, the Supervisors (Patwaris) will train the Enumerators and this will occupy only part of their time. Thus the Tahsildars, Field Kanungos and Patwaris ought to be able to do their ordinary work from the 15th November 1910 to the end of January 1911 without much disturbance, and dialluvion work should be completed in January. The Field Kanungo, Naib Tahsildar, Tahsildar, district Kanungo and the Revenue Assistant should be able to help in the training of Enumerators in addition to their ordinary duties, and they should, by examining the Enumerators during their visits satisfy themselves that they understand the rules.

2. From the 1st of February 1911 when the Preliminary Enumeration will commence, the Kanungos and Patwaris should devote practically the whole of their time to Census work until the 20th February 1911 when it will be completed. As in 1901, so now, practically the whole of the preliminary enumeration work will have to be done by the patwaris.

3. Checking and examining of the record will go on till the 10th March 1911, when the Final Enumeration takes place. The closest supervision should be exercised not only by the Kanungos and Patwaris during this period but also by the Revenue Assistant, Naib Tahsildar, Tahsildar, district Kanungo, and all other inspecting Revenue Officers who can by any means be spared for the purpose. Special efforts should be made by these officers and officials to examine and correct as much of the Enumerators' work as possible.

4. On the night of the 10th March 1911 the whole of the Revenue staff—Revenue Assistant, Tahsildar, Naib Tahsildar, district Kanungo, Field Kanungo and Patwaris—are enjoined to be on the move and to visit as many of the Enumerators in their respective districts, tahsils, charges or circles as they can in order to see that the work is carried on satisfactorily.

5. On the 11th March 1911 the Patwaris will check the Enumerators' Abstracts and prepare the Circle Summary, and by the 12th March 1911 they will personally deliver these along with the Enumeration Books to the Charge Superintendents, after which they should proceed as soon as possible to the tahsil head-quarters for the purpose of slip copying, which will keep them occupied for 4 to 6 days. They will therefore not be free to return to their circles till 19th March 1911, to do the rabi girdawari, which should be commenced on the 20th instead of on the 1st March. The Financial Commissioner hopes that the Revenue staff will do the post-enumeration work connected with the Census with as much care as the work of Enumeration.

6. Notes of inspections or orders regarding Census work should be recorded in the diaries of Revenue officials in precisely the same way as Notes and Orders concerning Revenue work.

7. Detailed instructions as to the work to be done by Kanungos and Patwaris will be found in the Manual for Charge Superintendents and Supervisors, issued by the Superintendent of Census Operations, Punjab.

I have, &c.,

E. R. ABBOTT,

Senior Secretary to the Financial Commissioner, Punjab.

VIII. With reference to a letter dated the 30th October 1910, from Lala Behari Lal Bhatia, the Committee approved of the action taken by the Secretary in his case. It was held that the Secretary's interpretation of Rule 2, that "it is the subscription which entitles a person to take books out, and if it is not paid in advance, the right to take out books ceases," was correct. In the opinion of the Committee no other interpretation is possible; the rule in question, *viz.*, "an annual subscription of Rs. 5 must be paid in advance," being one of the conditions on which books are lent out.

CIRCULAR LETTER No. 26.

FINANCIAL COMMISSIONERS' OFFICE :
Dated Lahore, 28th November 1910.

FROM

A. M. STOW, ESQUIRE,

Junior Secretary to the Financial Commissioners, Punjab,

TO

ALL DEPUTY COMMISSIONERS IN THE PUNJAB.

SIR,

Sub-head 341.
File No. 12.

I AM directed to invite your attention to Punjab Government endorsement No. 393 (Financial), dated 8th March 1910, forwarding a resolution of the Government of India, regarding a transfer of State lands. Rule 5 in the appendix to the resolution provides that "if any land or building is transferred to or from a commercial department for which regular revenue and capital accounts are kept, the full market value of the land or building transferred shall be debited or credited, as the case may be, to such department". As far as the Punjab is concerned, the only commercial departments for the purposes of rule 5 are the railway and canal departments. In view of these orders the following instructions are issued, applicable where Government land is transferred to the railway or irrigation departments.

2. Where land owned by Government is included in a notification issued under the Land Acquisition Act the award shall deal with the Government land in the same manner as if it were privately owned, except that in the award statement no cash payment will be shown, the transaction being recorded as a payment by book transfer.

3. Where action is taken under paragraph 1 of Standing Order No. 28, the transfer applied for will not be sanctioned until the valuation made by the department in possession, or by the Deputy Commissioner, if the land is not in the possession of any department, has been accepted by the railway or canal department, as the case may be. When sanctioning the transfer the sanctioning authority will inform (1) in the case of land transferred from the railway or canal department, the Examiner, Railway Accounts, or the Accountant-General (Public Works Branch), and (2) in the case of other land, the Accountant-General and Deputy Commissioner concerned. The accounts officer will raise the necessary debits, and in the latter case the credit will be to I—Land Revenue—Sale of Waste Land. The value of forest land, whether under the control of the forest department or of the Deputy Commissioner, will not be credited to the forest department, but to I—Land Revenue.

4. For the converse case, which is rare, of a transfer of land from the railway or canal department to a department other than these or to the Deputy Commissioner, orders have not yet been passed by the Government of India and will have to be obtained as cases arise.

I have, etc.,

A. M. STOW,

Junior Secretary to the Financial Commissioners, Punjab.

Miscellaneous Notices and Advertisements.

THE following is republished for general information:—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

CHIEF COURT, PUNJAB.

NOTIFICATION.

The 16th December 1910.

No. 6471 G.—Notification—It is hereby notified that the Chief Court of the Punjab has been pleased to admit Chaudhri Feroz-ud-din, son of Chaudhri Ghulam Kadir, as a Mukhtar of the second grade, on the 10th December 1910.

FINANCIAL COMMISSIONERS' OFFICE.

CIRCULAR LETTER No. 9.

FINANCIAL COMMISSIONERS' OFFICE.

Dated Lahore, the 19th December 1910.

FROM

A. M. STOW, ESQUIRE,

Junior Secretary to the Financial Commissioners, Punjab,

To

ALL COMMISSIONERS IN THE PUNJAB.

The Hon'ble Mr. A. Meredith.

SIR,

I AM directed to specify the arrangements for the disposal of work formerly done by the Excise Commissioner and Superintendent of Stamps whose post has now been abolished.

2. *Excise, drugs and opium*—The Excise Commissioner was not invested with any powers under the Excise or Opium Acts. His position was, as described in paragraph 2 of the Excise Pamphlet, volume I, that of an advisory officer, and it was laid down that the general control of the divisional Commissioners, and the exercise of their powers under both Acts, was not to be interfered with. In practice it has been found that, with the appointment of a special Commissioner of Excise, the work tended to become cen-

tralised. The excise work which has in fact been done by Commissioners of divisions in late years may be described as follows :—

(*a*) to receive lists of licenses, granted after auction ;
(*b*) to receive annual reports from districts and after recording their remarks to forward these to the Excise Commissioner ;
(*c*) to hear appeals regarding appointments and departmental punishments under the Excise and Opium Acts ;
(*d*) to adjudicate in certain questions of dispute between the Excise Commissioner and Deputy Commissioners.

The work hitherto done by the Excise Commissioner, which will now be delegated to Commissioners of divisions, is as follows :—

(*i*) control of establishment in the manner described in the rules regarding the appointment, etc., of inspectors and sub-inspectors (not yet issued) ;

personal files of establishment will be sent to Commissioners, and applications for new appointments will be dealt with by Commissioners in accordance with these rules.

(*ii*) inspection of licensed vendors' shops and distilleries ;

It is understood that each Commissioner will in future have a personal assistant either an Assistant Commissioner or an Extra Assistant Commissioner. The work to be done by the personal assistant will rest entirely with the Commissioner, but it is anticipated that he can help considerably in excise work. The Financial Commissioner desires to invite special attention to paragraph 8, page 59, Excise Pamphlet, part I, and requests that Commissioners will insist on the periodical inspection of distilleries as prescribed therein. A copy of inspection notes should be forwarded to the Financial Commissioner through Commissioners who should add their own remarks and recommendations where necessary.

(*iii*) reports and returns ;

The attached statement shows how returns will be dealt with.

(*iv*) action to be taken on reports of trials under the Excise and Opium Acts ;
(*v*) deputation of excise inspectors to learn the work of taking thumb impressions at Phillour ;
(*vi*) supply of forms and registers (a separate letter will be issued stating where, these and other stores can be obtained) ;
(*vii*) grant of rewards in excise cases ;
(*viii*) writing off irrecoverable balances of excise revenue ;
(*ix*) distribution within their divisions of opium from Gházipur ;
(*x*) reports regarding confiscated opium sent to Gházipur (page 66 of Excise Pamphlet, part II) ;
(*xi*) grant of wholesale licenses for the vend of charas (pages 164-65 of Excise Pamphlet, part I).

3. *Stamps.*—The following should be disposed of by Commissioners :—

(*a*) indents for stamps which will be dealt with in the way described in non-judicial rule IV (*ii*) and court fee rule III (*ii*) on pages 352 and 361 of the Stamp Manual ;
(*b*) budget estimates to be sent on to the Accountant-General ;
(*c*) stock statements (prescribed by paragraph 20, Punjab Government Consolidated Circular 29) ;
(*d*) statements of stamps destroyed ;

Miscellaneous Notices and Advertisements.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, *dated* 8th *December* 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who, owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

M. W. FENTON,

Chief Secretary to Government, Punjab.
